Section 2: Your goals and approach to your Emergency Family Child Care Fund

1. What amount of emergency relief funding do you hope to provide to Massachusetts Family Child Care providers in your region to be matched by CCF? \$_____
2. Will you be allocating existing funds that are already committed to an existing fund or will you be raising new funds for this purpose? _____
3. In what communities do you plan to focus your grantmaking? [please list cities or towns]
4. Have you identified/selected an Intermediary(ies)? (Y/N)

Reminder: An Intermediary is a support organization that understands which local FCCs provide high quality care, serve vulnerable families, and have the greatest need for emergency funds in order to continue operating after the closure. This can be a Massachusetts Family Child Care System, a Child Care Resource and Referral Agency (CCR&R), a staffed family childcare network, or another type of local nonprofit which:

- Is connected with local FCCs and can conduct outreach and provide support to FCCs in completing the application process
 - Can receive and distribute funds to FCCs
5. If yes, who is/are the Intermediary(ies) that you will be working with relative to which communities?
 6. Are you planning to prepare any press releases or other communications strategies relevant to these grants and the MAFCEF program?
 - If so, please provide details so that we can coordinate on communications strategies
